

**Clarksville Community School Corporation
Consent for Random Drug Testing
2018-2019**

I have read the Clarksville Community School Corporation Drug Testing Policy. A copy of this policy is included in the student handbook, the athletic handbook, and on the corporation website. The policy requires that students who participate in extra-curricular activities or who drive to school be subject to random drug and alcohol screening tests. Please read the policy carefully and retain it for your records. A student will not be allowed to participate in any extra-curricular activity or drive to and from school if this consent form is not signed and returned to the school. The student understands the consequences outlined in the drug-testing policy of a positive drug test.

I have read and understand the Clarksville Community School Corporation Random Drug and Alcohol Testing Policy. I will participate in this program and hereby voluntarily agree to be subjected to its terms. I accept the method of obtaining urine samples, testing, and results of such specimen, and all other aspects of the program. I agree to cooperate in furnishing urine samples that may be required from time to time.

I further agree and consent to the disclosure of sampling, testing, and results as explained in this policy. This consent is given pursuant to all state and federal privacy statutes and is a waiver of rights to non-disclosure of such test records and results only to the extent of the disclosures in the program.
