Community Eligibility Provision

Dear Parent or Guardian:

We are pleased to inform you that **Clarksville Community School Corporation** will be implementing a new option available to schools participating in the National School Lunch and School Breakfast Programs called the Community Eligibility Provision (CEP) for the 2018-2019 school year.

What does this mean for you and your children attending the school(s) identified above?

THIS MEANS GREAT NEWS for ALL ENROLLED STUDENTS OF:

Clarksville Elementary, Clarksville Middle, Clarksville HS and Renaissance Academy are eligible to receive a healthy breakfast and lunch at school at no charge to your household each day of the 2018-2019 school year. No further action is required of you. Your child(ren) will be able to participate in these meals-only programs without having to pay a fee or submit a *Meal application. Extras or A la carte items will still require funds for purchasing as per our Meal Account Policy.

Textbook Assistance is not included in this program so applications will still need to be filled out for those families that feel they qualify for Textbook Assistance unless otherwise notified by CCSC Food Services Dept.** There is an application included in this letter. **Please fill out the form and return it to your student's school office for processing asap unless you have been notified that you do not have to submit the application. You can also visit our website www.ccsc.k12.in.us under the Menu icon for a instructions as well as a printable textbook application along with our Revised Meal Account Policy & Parent Acknowledgement Form. *Please be advised that if you do not apply for this benefit you will be held financially responsible for all textbook fees for the school year and will be billed accordingly.**

If we can be of any further assistance, please contact us at 812-704-5525, mpixley@clarksvilleschools.org or 800 Dr. Dot Lewis Drive, Clarksville, IN 47129.

Sincerely,
