She noted that there was no school on Election Day but said ELA and math teachers had a professional development day. Superintendent Bennett said the leadership team and C.E.A. had been reviewing options for the 2019/2020 school calendar. She said she hoped to bring it back to the Board in December. Superintendent Bennett noted that the last bargaining meeting with the C.E.A. was in October and she would bring the proposed contract to the Board once it was ratified by the C.E.A.

Superintendent's Reports

Superintendent Bennett noted that there was damage to the tennis court and light pole after a driver smashed into it. She said the damage will exceed the \$5000 deductible and repairs will be done as soon as possible. Superintendent Bennett said due to recent bus tragedies across the country, the Transportation Director proactively sent out a letter with safety tips for parents to review with their students. She said bus drivers also met to review safety protocols. Superintendent Bennett noted that there is now a free snack program at all buildings thanks to the food services department. She also said that for the first time ever, CCSC received 100% on cafeteria inspections at each building.
