Superintendent's Reports

Superintendent Bennett said she would be bringing recommendations next week to the Board for the teacher appreciation grant, classified retention bonus and administrator performance based stipends. Superintendent Bennett shared the most recent transfer report on students. She also reported that CCSC now has AED's (defibrillators), rescue kits and stop the bleed kits in each building. Some of these were donated from Clark Memorial and some were purchased by the corporation. Superintendent Bennett said cafeteria tables have been ordered for the high school.

Comments

C. E. A. Communications: Ms. Janet Wagner, C.E.A. President, said the ELA and math teachers have been working very hard. She asked that the schedule be looked at to not have band and choir concerts on the same night as School Board meetings. She also noted that the proposed school calendar had been reviewed several times by the C.E.A.

Comments from Board Members: Ms. Wilson said the letter grades are showing the hard work that's being done. Ms. Hauber welcomed Erin Walden. Superintendent Bennett presented the proposed 2019/2020 school calendar. She said the calendar is very similar to the current school year but noted a few changes. Those changes include the addition of two early release days for professional development, the moving of parent teacher conferences to November, taking off MLK and President's Day and using Oaks Day and Election Day in May as make up days.

Personnel

Superintendent Bennett noted there are no additional personnel items at this time.

Revision to Statement of Benefits for Maintenance Employees
