March, 2020

Dear Senior Counselor/Dean of Students

Sunnyside Master Gardeners Association of Southern Indiana is offering a \$1000 scholarship to a qualified high school senior interested in pursuing a degree in horticultural or natural resources at the college level. The Master Gardeners motto is 'Helping Others Grow', and we promote best gardening practices in our local community. As part of achieving that goal, we want to assist a deserving high school student to pursue a career in horticulture or natural resources.

The award will be given directly to the student who has been accepted at a qualified postsecondary program to apply toward books and/or other college expenses. An application form that may be copied and given to any senior whom you think would be interested in applying for this award is enclosed.

Please pass this application on to your students. The deadline for returning the completed form is May 1, 2020. If you have any further questions feel free to contact me at njenkins@prodigy.net , or by phone.

Yours truly,

Nita Jenkins, Scholarship Chairperson
