Reports of School & Organization Representatives

Superintendent's Reports: Superintendent Bennett updated the Board on Renaissance Academy student Elijah Dowell. Dowell was injured in a serious car accident over the weekend and was recovering in the hospital. She noted that board member, Teresa Cummings, had started a Go Fund Me to help support his family. Superintendent Bennett said a spreadsheet is being kept of the number of students and staff impacted by COVID-19. She said since the start of school, 6 students and one Coop employee had tested positive. She said there were several other students and staff members who have had to quarantine due to either being in contact with others who were positive or are pending test results. She said administrators, staff and students continued to do an outstanding job of following the re-entry plan and adhering to social distancing and other guidelines. Superintendent Bennett said count day is scheduled for the planned date of September 18 and that she would have enrollment numbers at the October planning session. She also noted the budget hearing is taking place at that same meeting.

Dr. Brian Allred, Assistant Superintendent, reported that there are 1978 approved enrollments to Indiana Gateway Digital Academy, with about 800 others still pending. He thanked support staff at all buildings for their help with records requests for CCSC students.
