

NEXGEN

NEXGEN is Southern Indiana's award-winning youth leadership program. Open to any current high school sophomore in Southern Indiana, the program's objectives will provide experiences for you as a young leader of our community to encourage your future success. Students will complete program their junior year and:

- Increase understanding of yourself and your strengths as a leader
- Increase awareness of our community through business exposure, including corporate & small business

See your counselor for more info!
