In partnership with Indiana schools, the Division of Family Resources (DFR) is once again issuing

What is Pandemic EBT?

Pandemic Electronic Benefits Transfer (P-EBT) provides food assistance to families with students who would have received free or reduced lunch while attending school but are not in school due to COVID-19 restrictions. Families with eligible children will be issued a card with which they may purchase food. **Keep your card!**

Eligible students must:

- Attend an Indiana school; AND
- Be participating in a virtual or hybrid school schedule; AND
- Be eligible to receive free/ reduced lunch or breakfast for the 2020-2021 school year

Eligible schools must:

- Be a provider of the National School Lunch Program and/or School Breakfast Program; AND
- Had a delayed started to the 2020-2021 school year; OR
- Have closed due to COVID-19 during the 2020-2021 school year; AND
- Offer a Hybrid Schedule for students to participate either in person, virtual, or a combination of in person and virtual;
- Not have virtual learning as the normal curriculum (i.e., the daily learning environment is not in a physical school setting, but virtual)

Benefits are issued quarterly at the end of the month. Please see the estimated issuance dates below. **Keep your card!**

P-EBT Eligible Months	Estimated Issuance Date
October - December 2020	End of February, 2021
January - March 2021	April 30th, 2021
April - June 2021	July 31st, 2021
July - September 2021	September 30th, 2021
