Comments from Residents: Ms. Shirley Stevens signed up to speak. She said it was irresponsible that CCSC didn't have a teacher in two of her daughter's classes. She also expressed anger about seven students who were not allowed to walk at graduation. She said she felt that it was the wrong decision.

Comments from Board Members: Ms. Cummings said while she acknowledged that the seven students misbehaved and caused disruption she was torn on the punishment when it came to the graduation walk. She said at no time has she questioned that the administration wasn't doing what they feel is best for the students. She also said CES version of "We Are the World" was probably the best video she has seen in recent days. Ms. Wilson said it bothered her that the graduation controversy was reduced to hate. She said she and the others sit on the Board because they care about the school system and the kids. Ms. Hauber thanked everyone for a successful school year. Mr. Hansford said he felt everyone was united for this school year.

Kelly Services Agreement

Superintendent Bennett discussed increasing the daily sub rate with Kelly Services from \$70 to \$75 a day and decreasing requirements from college credit to a high school diploma. She said this would put CCSC more in line with other area schools in hopes of increasing the sub pool.
