Superintendent Bennett introduced Mr. Scott Gardner, School Safety Specialist, to discuss possible changes to the in-person learning plan for the 2021/2022 school year. Mr. Gardner said that due to changing COVID-19 conditions, he was recommending universal masking for all students, staff and visitors, despite vaccination status. Superintendent Bennett said CCSC had meetings with the Clark County Health Department and determined the masks would be in the best interest for the health and safety of students and staff. The mask requirement would begin on the first day of school. Upon Superintendent Bennett's recommendation, Ms. Wilson made a motion to approve the mask requirement, as presented. Ms. Davis Craig seconded; the vote was unanimous. Mr. Wilson said he would rather be safe than sorry.

Superintendent Bennett also discussed a second recommendation to allow her to continue working with the health department and school administrative team to make adjustments to the in-person learning plan as it relates to masks throughout the 2021/2022 school year. She noted that she would discuss any recommended changes with Board members prior to making the changes. Upon Superintendent Bennett's recommendation, Ms. Hauber made a motion to approve this recommendation, as presented. Ms. Cummings seconded; the vote was unanimous.
