Jackson Mullins. Is a scholarship granted to 4 students residing in Clark and Floyd counties each year and Clarksville had 2 of the 4 recipients. These students are the best of the best students of each area high schools including, Clarksville, NAFCS, GCCS, Rock Creek, Silver Creek, Borden and Henryville. This scholarship provides for full tuition, required fees, and a special allocation of up to \$900 per year for required books and equipment for 4 years of undergraduate study on a full-time basis leading to a baccalaureate degree at any eligible Indiana public or nonprofit college. Tonight, we are going to honor: Leila Sidahmed and Jackson Mullins

Superintendent Bennett had some athletic recognitions, Robert Lamar, Single Season Rushing Yards Records in the State of Indiana, Dakota Capps, 1st Team IBCAA Academic All State in basketball and Alex Titus – IBCA Academic All State Honorable Mention in basketball. Kyle Hankins described how great it is that these two guys take care of, most importantly, their academic work alongside their academic goals.

Superintendent Bennett had two special recognitions, Judy Tyler for completing her 22nd year and her recognition this past week by the Indiana Association of School Officials as the School Support Professional of the Year for Region 10. Superintendent Bennett also recognized Dianne Lacy, Dianne is completing her 36th year and most recently earned all her credentials and the title of Chief Business Officer.

Education Update and Superintendent's Reports

Superintendent Bennett thanked everyone in attendance and the Board members and updated everyone that due to an illness we had to push the Teacher of the Year for 2022 announcement to May 19th at 9:00 a.m. in the CHS Auditorium.

Superintendent Bennett also discussed the latest IREAD results stating that these are for 1st time test takers for 3rd grade students. Any 3rd grade student who didn't pass has the opportunity to retake the test on June 21. We are hopeful that we will have several more student's pass on the 2nd try thus increasing our overall pass rate, as this rate is low for a typical year for us. We have been unable to find State wide pass rates so we will be curious to see how we compare to other schools coming out of Covid. On another note this was the first year that 2nd graders could take the test. Any second grader who passed the test would not be required to test next school year. CES had 38% of our 2nd graders who passed.

Dr. Brian Allred, Assistant Superintendent didn't have any updates at this time.

Superintendent Bennett introduced Ms. Adrienne Goldman, Clarksville High School Principal and Mr. Matt Pait, Clarksville High School Assistant Principal. They were very excited that they got to host an ELL night and the great attendance they had and how everyone enjoyed themselves. They showed the Board all the new updates going on at CHS and congratulated Ms. Emily Stewart for being named Teacher of the Year at Clarksville High School. Ms. Adrienne Goldman had Ms. Amanda Carmichael come up and talk about CHS students engaging in other activities throughout the school. Ms. Chris Allred and Ms. Jill Sammons came up and introduced the Board to Arlo, our new community service dog that all CCSC kids will get to enjoy. They both discussed the ongoing training and how beneficial it will be to have Arlo in our buildings to help ease student's anxiety and or emotional cases.
