2.200 Life Insurance

Maintenance technicians may participate in the Group Policy Insurance Program equal to \$50,000 coverage. For the Director of Facilities, the Group Policy Insurance Program equals \$70,000. The Board of School Trustees will pay the total premium except for \$.72 per year for all employees in this group.

2.250 Long-Term Disability Insurance

Maintenance employees may participate in the Long-Term Disability Insurance program at an amount equal to their annual salary. The Board of School Trustees will pay the total premium except for \$.72 per year for all maintenance employees.

PAID BENEFIT DAYS

3.050 Eligibility

All full-time employees in this employee group shall be eligible for the benefits outlined below after satisfying the 90 day probationary period.

3.100 Personal Leave

A. Maintenance Technicians

The following days are awarded to maintenance technicians effective July 1 of each school year:

Maintenance technicians that work 260 days shall receive 4 personal days.

Days will be pro-rated for those individuals hired after July 1.

Unused personal days are added to sick days at the end of each school year. Personal leave days may not be used to extend a school holiday without prior approval from Supervisor. In the event the employee does not receive prior approval, he/she will be charged 2 days per each day taken.

B. Director of Facilities/Operations

The following days are awarded to the Director of Facilities/Operations effective July 1 of each school year:

Director of Facilities/Operation works 260 days shall receive 4 personal days.

Days will be pro-rated for those individuals hired after July 1.

Unused personal days are added to sick days at the end of each school year. Personal leave days may not be used to extend a school holiday without prior approval from Supervisor. In the event the employee does not receive prior approval, he/she will be charged 2 days per each day taken.

3.150 Family Illness Leave (Sick Days)

These days are allotted for illness of the employee or the employee's immediate family. The Corporation does not condone falsification of these days. A Supervisor can request a doctor's note at any time. In the event, the employee uses a sick day to extend a school holiday, he/she will be charged 2 days per each day taken without a doctor's note.

A. Maintenance Technicians

The following days are awarded to maintenance technicians effective July 1 of each school year:

Maintenance technicians who work 260 days are awarded 12 days for illness.

Days will be pro-rated for those individuals hired after July 1.

Employees may accumulate up to 30 illness days. Employees with more than 30 days accumulated shall be paid \$30.00 per day for each day over 30 at the end of each school year. This will be added to the employee's payroll check at the end of the year.

B. Director of Facilities/Operations

The following days are awarded to the Director of Facilities/Operations effective July 1 of each school year:

Director of Facilities/Operations works 260 days will be awarded 12 days for illness.

Days will be pro-rated for those individuals hired after July 1.

Employees may accumulate up to 30 illness days. Employees with more than 30 days accumulated shall be paid \$30.00 for each day over 30 at the end of each school year. This will be added to the employee's payroll check at the end of the year.

3.155 Unused Benefits

Upon retirement or resignation any employee who has been with the Corporation a minimum of 10 years with unused benefit days up to 30 shall be compensated \$60.00 per day. This will be added to the employee's final payroll check.

3.200 Holidays

Employees assigned to work a twelve-month assignment receive 16 paid holidays. These days are as follow:

- Independence Day
- Labor Day
- 2 Days of Fall Break
- Thanksgiving Day
- Friday after Thanksgiving Day
- 4 Days of Winter Break
- New Year's Day
- Martin Luther King Day
- Presidents Day
- 2 Days of Spring Break
- Memorial Day

3.250 Vacations

A. The following vacation information pertains to employees classified as Director of Facilities and Operations. Vacation days must be planned and approved by the supervisor. At the end of the calendar year, unused vacation days will be transferred to sick leave. Only employees assigned to a 260 day assignment are eligible for vacation

- Five (5) vacation days in first year of employment. Director of Facilities shall receive five (5) vacation days for each consecutive year after year one of employment. These days will cease to accumulate after twenty (20) days have been reached and shall remain at twenty days for the remainder of the employment period.

A. The following vacation information pertains to employees classified as maintenance technicians. Vacation days must be planned and approved by the supervisor. At the end of the calendar year, unused vacation days will be transferred to sick leave. Only employees assigned to a 260 day assignment are eligible for vacation.
