CLARKSVILLE ELEMENTARY SCHOOL

TITLE I COMPACT

OUR STAFF PLEDGE

Clarksville Elementary School provides a safe and supportive learning environment. All staff members provide an aligned balanced curriculum to meet the diverse needs of all students. We use data from ILEARN, IREAD, IREADY, Amira, SAVVAS benchmark assessments, CoGat testing and SAVVAS unit assessments to inform our instruction. The results of assessments help us to focus our instruction and locate the students most in need of remediation or intervention. This will ensure that all students are focused on meeting Indiana College and Career Ready Standards for English/Language Arts.

We understand the importance of communicating with our parents through various forms such as: digitally through Parent Square and Google Classroom, Infinite Campus gradebooks and report cards, phone calls, newsletters, and emails. Parent/teacher conferences are held yearly as well as annual meetings to discuss Title I funding and services. Our staff is committed to providing synchronous instruction on inclement weather days through Google Meets.
