

Clarksville Elementary School

Inclement Weather Remote Learning Schedule

Synchronous instruction means that your child is learning **live with their teacher and classmates at the same time**. Students are **expected** to log into the **classroom teacher's Google Meet** link during **synchronous instructional blocks**.

Asynchronous instruction means your child is learning **on their own**, not live with the teacher. During asynchronous instruction, the teacher gives **assignments, videos, or activities** for your child to complete. Your child can **work at their own pace**, and the teacher will check the work and give feedback later.

Students who have **individual plans (IEP, 504, ILP)** will be provided with **support links** during individual work time.

Attendance **will be taken** during **synchronous instructional blocks**.

Grade-level specific schedules will be shared by **teachers**.

Time	Task	Minutes
8:00-8:45	Teacher Planning Period	45
8:45-9:30	Individual Work Time - Asynchronous (Support Available)	45
