Call to Order:

Ms. Hauber called the Planning Meeting to order right after the Special Meeting.

Amend and/or Adopt Agenda:

Ms. Wilson made a motion to adopt the agenda, as presented. Ms. Cummings seconded. The motion passed unanimously.

Special Recognitions:

Dr. Bennett honored six Clarksville Community School employees: Ms. Polly Zoeller, Mr. Leonard Miller, Mr. Tony Hall, Ms. Christine Allred, Mr. Bill Smith and Mr. Bud Lewis. Each board member wished each retiree well, thanked them for their work/support and a very happy retirement.

Education Update and Superintendent's Reports:

- Dr. Bennett started off the evening by saying thank you to Dr. Goldman, Dr. Pait, Counselors and office staff for another successful graduation ceremony. She also thanked the teachers and administrators across the district who participated in graduation and administrators across the district for their successful end of the year events. She reminded the board that summer school has started and so far, we have 96 participating students in grades 3-8 and credit recovery for grades 9-12. The current numbers are: CES (47), CMS (14) and CHS (35). She mentioned that summer school runs through the end of June and she publicly thanked the teachers who were willing to step up and provide extra support to our students. Dr. Bennett also reminded the board that Camp Invention begins the week of June 22. We currently had 71 campers enrolled with six more campers in the pipeline. Dr. Bennett also said that Camp Invention has become a very successful and anticipated week for our young scholars. Dr. Bennett reminded the board that Camp Invention will be at CES due to the retrofitting for Preschool at RELA. Dr. Bennett also reminded the board that our first annual Generals Car Show is Saturday, June 13 from 10-3. Lastly, Dr. Bennett updated the board on all the facility projects that were happening or starting to happen on campus. She mentioned the following projects: Technology office upgrades, they will be getting new flooring, painting, new furniture and a breakout eating space. She mentioned that the storage room will be reconfigured with better storage systems in order to help our technology department have a better organizational system in place due to the high number of devices they are repairing and managing as a result of being a one to one corporation. She mentioned that Koetter is waiting for CSO to provide a rendering/scope of work for that area and that this would be funded through our bond 2024 issue. She went on to say that RELA Studios 1 and 2 walls work started, CMS terrazzo refinish has started and that the company has be stripping the wax since yesterday and the next phase will be the grinding. CES HVAC controls upgrade has started. Dr. Bennett stated that once the elementary school is completed all the building's HVAC controls will have been completed. CES front playground turf started yesterday and the tennis courts will be resurfaced beginning June 7, all parking lots will be resealed in July, the MS front office painting will take place this month. The pole barn painting project is in process and will be completed the next day or so. Dr. Bennett mentioned that we are also completing an upgrade to the bus barn office which includes new flooring that is complete, painting, wrapping of the cabinets for a more updated look. She said that we will also be purchasing a new refrigerator and microwave for that space. Dr. Bennett also stated that we are also working with a vendor out of Scottsburg to brand our new Corporation Suburban. Classroom furniture for grades 1 and 2 at CES has been ordered and the final phase of branding at CMS has been completed. Dr. Bennett is working with CSO designers for branding and painting color schemes for both gyms at CMS. The bleacher projects for CMS and Chuck Franz gym are scheduled for early September and she is working with ESG and potential other vendors to get quotes for upgrading the lighting in the Chuck Franz gymnasium. The current lighting that we have is about ½ capacity of what it should be in regards to lumens and the brightness of lights. Dr. Bennett said that she will be bringing a recommendation to the board within the next month in regards to this project.

- Ms. Wendy Ivey was introduced to the board as the new High Ability Coordinator. Ms. Abby Coffman was also thanked for her hard work on getting the high ability program running and working so tiredly and effortlessly to build the program where it is today.

- Dr. Allred gave the board an update on "On My Way PreK" enrollment. He stated that as of today we had 25 students that signed up for interest. Ms. Erica Hubbard will have an open house on June 11 for these families to register with us and FFSSA to help families apply for the vouchers.
