The School Day

The doors will open at 7:30 a.m. Students enter the building through designated doors and go to the assigned gym. Bus riders will enter through Door #3. Car riders/walkers in all grades will enter through Door #1. Upon entering the building, all students are to stay in their assigned areas until the first bell. At 7:47 a.m. , the bell will sound, and students will be released to go to their lockers and/or respective classes. The school day starts at 7:52 a.m. and dismisses at 2:47 p.m.

Residency

Students must live within the legal school boundaries to attend CMS or receive permission from the CCSC school board to attend. Any student not living with natural parent(s) or guardian must establish custodial rights with legal settlement in the Clarksville Community School District in order to attend on a tuition-free basis. If a change of address occurs during the school year, the student will be allowed to complete the semester upon request. The school office must be notified within one week of a change of address or guardianship in order for the student to continue attending. State law prohibits the establishment of guardianship for the purpose of attending school in a given district according to I.C. 20-8.1-5.1-11. Any change in guardianship must be court-approved & reported promptly to the counseling office. Any student and/or parent/guardian who fails to comply with the residency requirements of the school corporation will be subject to due process. *Additionally: When a family moves to a new residence or has a change in home/work phone number(s), please notify the school immediately and provide updated verification of residency documents to CMS.*

Emergency Drills, School Closings, Delays

Fire Drill Procedures

Fire drills will be held intermittently throughout the school year on an unannounced basis. Students should be aware of procedures for evacuating the building from every room or area in which they are in during the day. Procedures for evacuation are posted in each classroom.

Students should be aware of the following:

- (1) All windows and doors are to be shut.
- (2) Walk quickly. Do not run along the evacuation route.
- (3) There should be no talking.
- (4) Leave books and personal items in the classroom.

- (5) Remain outside until the "all clear" is given.
- (6) Do not use your cellphone/electronic device, as this may jeopardize the airwaves for emergency personnel.

Move away from the building a minimum distance of 50 yards. During fire or explosion emergencies or drills, the routes that should be used are posted in each area of the school building.

Note: Indiana Code 35-44-2-2 makes false reporting, such as sounding the fire alarm, a criminal act for which a student may be expelled according to Indiana Code 20-33-8, section (c).

Tornado Warning and Drill Procedures

- (1) In the event of a tornado warning, sighting, or drill, an emergency announcement will be made over the public address system.
- (2) Teachers and students should move quickly and quietly to tornado emergency positions as posted in each classroom.
- (3) Students are to remain silent.
- (4) Students should either kneel or sit with knees up and heads down facing the wall and should bring books or sweaters for protection from flying debris.
- (5) Students and teachers should avoid being near outside doors or windows.
- (6) Teachers should take their rosters with them and remain near the students to ensure all students are accounted for.
- (7) When danger is imminent and time does not permit evacuation of rooms, students should move to the nearest interior wall or seek shelter under desks or sturdy tables and should avoid areas where there is a danger of shattering glass.
- (8) Students and staff are instructed not to use their cellphones/electronic devices as this may jeopardize the airwaves for emergency personnel.

Emergency School Closing/Delays

- (1) The decision to close or delay the start of school due to inclement weather or any other emergency will be made by the Superintendent as early as possible.

- (2) A message about the closing or delay of school will be on the corporation's website <https://www.clarksvilleschools.org/>. Community members can also sign up on the district's website for text and/or e-mail alerts to be notified in the event of an emergency or school closing/delay.
- (3) When conditions dictate closing or delaying school, the announcement will be given to WAVE-TV, WHAS-TV, WLKY-TV and WDRB-TV.
- (4) Announcements affecting our school will refer specifically to "Clarksville Community Schools."

Fieldtrip Procedures

Students may occasionally participate in educational field trips and tours. The school must ensure that all events are safe and properly supervised by the adults in charge. School rules are enforced at all times, and consequences shall be the same as those observed during school hours. Permission slips are required and must be signed by the parent or guardian by the due date given. Administrators/Chaperones will print a list of students eligible based on a signed form via registration. If you choose only to sign permission forms on a trip-to-trip basis, students are responsible for picking up a permission form from the teacher/office and returning it by the assigned deadline. It is required that field trip permission forms be completed and returned by the due date and noted time. Oral permission over the telephone is not sufficient. Additionally, students who are failing any classes or have received an office referral for behavior/tardies/attendance, etc., will not be permitted to attend reward field trips and tours; these students will be required to remain at school and work on making up missing assignments, remediation programs, etc.

Fundraising

The P.T.O. and other school groups and organizations may sell items or services during the school year only for the purpose of augmenting the educational program of the school and only with permission of the School Board. Students who participate in fundraising activities are accountable, along with their parents or guardians, for money resulting from sales or the return of unsold merchandise. Individual students/private organizations cannot sell items or services in the school for personal or commercial gain.

Locker - Information

All lockers used by students, including hallway lockers, physical education lockers, and athletic lockers are the property of the School Corporation. Students may use assigned lockers to store school supplies and personal items necessary for use at school. Lockers are not to be used to store items that cause or can reasonably be foreseen to interfere with school purpose or an educational function or which are forbidden by state law or school policy. Though students are assigned individual lockers for personal use, the School Corporation retains the rights of ownership, and students have no expectation of privacy in the locker or its contents. The School Corporation may search a locker and

its contents at any time.

- (1) Students may use lockers at the assigned times during the day. A schedule will be provided to students.
- (2) Students should not share lockers with other students. Lockers are not to be used by more than one student.
- (3) Students are encouraged not to bring money or articles of value that could be stolen to school.
- (4) Students are encouraged not to set the lock so that it can be opened without working the combination.
- (5) Personal locker combinations should remain confidential.
- (6) No open food, drink, glass containers, or wet articles should be stored in lockers.
- (7) Lockers should not be slammed, kicked, or overfilled. Decals, stickers, writing, tape, etc., that cannot be readily removed should not be used.

Involvement of Law Enforcement Officers

Administrators may request the assistance of law enforcement authorities to inspect lockers or their contents. The reason for involving law enforcement officers may be to identify substances that may be found in lockers or to protect the health and safety of persons or property.

If a law enforcement official requests to inspect a student's locker or its contents, the principal shall require the production of a search warrant. Otherwise, the request will be denied and request that the principal make an inspection of a locker or its contents on behalf of, or in place of, a law enforcement official will also be denied. However, the principal may cause a locker inspection to be performed for school purposes if information supplied by law enforcement officials gives rise to a reasonable suspicion that a locker contains contraband. As a deterrent to serious drug problems, the superintendent or the principal may secure the services of dogs trained in the detection of narcotics, drugs, or alcohol on school property.

Valuables

Students are responsible for their personal property, including their personal electronics. They should not bring large amounts of money or expensive equipment to school. The school will not be held financially responsible for the theft or loss of any item brought to school by students.

Lost & Found

The school maintains a "Lost & Found." Students who find objects of value, such as eyeglasses, jewelry, watches, and calculators, are requested to turn these items into the office. Students are welcome to check the "Lost & Found" for items belonging to them. Lost and found items not claimed at the end of each grading period will be laundered and donated.

Library

The library facility is available to all students during posted hours during the school day. Students are encouraged to use this resource for classroom assignments and leisure reading. Books may be checked out for three weeks.

School Pictures and Yearbook

Pictures of every student and all major school organizations are routinely taken each year. All students are given the opportunity to purchase pictures and yearbooks.

School Athletics/Clubs/Organizations

CMS offers a wide variety of athletic teams, clubs, and organizations that students may join. We highly encourage students to become involved while attending CMS.

To participate, students must be present for half of the school day unless proper attendance-related documentation is provided.

Attendance

Attendance Policy

All students are expected to attend school regularly and be on time for classes in order to maximize the benefits of the instructional program. Good attendance will aid in developing habits of punctuality, self-discipline, and responsibility, skills needed to succeed in school and the workforce. State guidelines suggest that schools maintain at least a 95% attendance rate. To meet this standard, as well as support the core value of learning, students need to attend school every day possible in order to achieve a high level of academic success. The responsibility for regular

school attendance rests upon the student and his/her parent or guardian.

***A maximum of five days can be excused due to illness with a parent/guardian note/email/phone call per semester.**

After a total of five cumulative full-day absences due to illness, parents/guardians will be required to present a written statement from a medical professional for each additional absence during the school year in order for those absences to be excused.

Absences from school fall into one of the following categories:

- (1) **Excused absences** are defined as absences that the school corporation regards as legitimate reasons for being out of school, as included in the school policy.

These could include:

- (A) The illness was verified by phone call or note from the parent/guardian before noon on the date of absence.
- (B) Illness verified by note from Physician.
- (C) A death in the immediate family.
- (D) Military-connected families (e.g., absences related to deployment and return).

- (2) **Unexcused absences** (UA) are any absences not covered under the definition of excused or exempt. Please note that unexcused absences do not reset at the semester.

- ☐ UA **5** = The student, parent/guardian, and will meet for a formal Attendance Contract Meeting.
- ☐ UA **10** = The student will be reported to Clark County Prosecutor for being habitually absent/truant.
- ☐ **Additional unexcused absences** may result in additional measures, such as reporting to DCS and the Clark County Prosecutor.

Note: Family vacations taken while school is in session are unexcused absences.

- (3) **Exempt Absences.** Under certain circumstances, schools are legally required to authorize the absence and excuse of a student who is:

- ☐ Serving as a page or honoree of the Indiana General Assembly (IC 20-33-2-14);
- ☐ Serving on the precinct election board or as a helper to a political candidate or party on the day of a municipal, primary, or general election (IC 20-33-2-15);
- ☐ Subpoenaed to testify in court (IC 20-33-2-16);
- ☐ Serving with the National Guard for at least 15 days in a school year (IC 20-33-2-17);
- ☐ Serving with the Civil Air Patrol for up to five days (IC 20-33-2-17.2);
- ☐ Approved for an educationally-related, non-classroom activity (IC 20-33-2-17.5);
- ☐ And/or exhibits or participates (or a member of the student's household exhibits or participates) in the Indiana State Fair for educational purposes (IC 20-33-2-17.7).

In each of these circumstances, the student is excused from school and should not be recorded as absent

or penalized in any way. All other absences during a semester will count toward the chronic absenteeism limit. To review this statute in its entirety, refer to Indiana's compulsory school attendance law (IC 20-33-2).

- (4) **Truancy** (see [truancy](#) section).
- (5) **Out-of-School Suspension.** Such absences are unexcused, but they are not counted toward the excessive absence limits.
- (6) **Expulsion.** Such absences are unexcused, but they are not counted toward the excessive absence limits.

*Note: Every excused absence, medically excused absence, unexcused absence, tardy to school, early dismissal, or absence due to truancy counts against a student's **perfect attendance**.*

Reporting Absences

- (1) Notify the school at (812) 282-8235 by 8:00 a.m. the morning of the absence. Please give the following information to the attendance personnel:
 - (A) Name and grade of the student absent.
 - (B) The reason for the absence.
 - (C) The relationship to the student of the person calling.

If the school is not notified by noon of the date of absence, the absence will become unexcused.

- (2) The school will attempt to contact the parent/guardian to check on the cause of an unreported absence.
- (3) Students absent three (3) or more consecutive days are required to submit medical documentation upon return to school. If medical documentation is not received, all consecutive absences are marked unexcused.

Absences - Extra-Curricular Events

Students must be in attendance at school by 11:00 A.M. to be eligible to participate in any extracurricular activity or practice. If a student arrives later than 11:00 am or leaves school early, the student **MUST** provide a doctor's note to the main office (via fax or email scan - if applicable to the situation) prior to attending, participating, or practicing in any extra-curricular activity. This applies to attendance on a school day preceding any weekend event(s).

Exceptions to this rule are:

- (1) Death in the immediate family, as previously defined in the Student Handbook;

- (2) Field trip or other out-of-class school sanctioned activity.
- (3) Exempt Absences as defined in the Student Handbook.

Chronic Absenteeism

Clarksville Middle School will collaborate with our local judicial system, the Indiana Department of Child Services (DCS), and our school resource officer (SRO) to improve attendance.

IC 20-18-2-2.4 defines chronically absent as missing (10%) (18 or more days) or more of a school year for any reason. Absences are cumulative for the entire school year.

All excused absences, unexcused absences, and trancies WILL count toward being chronically absent. Suspension absences, whether in school or out-of-school, however, WILL NOT count toward the chronic absenteeism limit.

- (1) Parents or guardians will be informed in cases of frequent student absences (including both excused and unexcused absences).
- (2) **Ten (10) days absent from school** (includes excused absences, unexcused absences, and trancies). A notice will be sent home from School Administration and documented.
- (3) **Fifteen (15) days absent from school** (includes excused absences, unexcused absences, and trancies). A notice will be sent home from School Administration and documented.
- (4) **Eighteen (18) days absent from school** (includes excused absences, unexcused absences, and trancies). A notice will be sent home from School Administration, documented, and a meeting will be held with the Parent, Student, and School Administration.
- (5) Additional absences may result in additional measures, including reporting to the Department of Child Services (DCS), and reporting to the Clark County Prosecutor.
- (6) A student who is unable to attend school is unable to attend extracurricular activities that day.
- (7) Students who are suspended out-of-school are not allowed to attend extracurricular activities.

Make Up Work Policy

Students shall be allowed to make up work when absent. Students will be given one day for every day missed to make up the missing work. Students who have unexcused absences will only receive half credit for make up work.

Tardiness

All students are expected to arrive at school & class on time. Students must be in the classroom at the bell/the start of class or report with a pass in order to avoid a tardy. Tardy counts start over each quarter (every 9-weeks).

- (1) Students who are tardy to school and/or all classes may be assigned consequences as appropriate, and their parent/guardian may be called in for a conference.

Consequences are as follows:

- ☐ Tardy 4 = Documented warning.
- ☐ Tardies 5-6 = One lunch detention (30 minutes) per tardy.
- ☐ Tardies 7-8 = One after school detention (60 minutes) per tardy.
- ☐ Tardies 9+ = In-school suspension (ISS)

Early Dismissal

- (1) Parents/guardians should send a note with the student stating the time and purpose of dismissal if possible.
- (2) Parents/guardians are encouraged to make every effort to schedule doctor's appointments after school hours.
- (3) Early dismissal slips are not granted for entertainment or recreational activities.
- (4) Parents/guardians must come into the office with a valid identification card to sign their student out for an early dismissal. Only authorized individuals listed in Infinite Campus by the parent/guardian will be able to pick up the student(s.)

Truancy

A student is truant if they are absent without permission from a parent/guardian, principal/designee, reported by teacher per class period, or if they leave the building during regular school hours without permission. This includes truancy from a single class period. A student who is unaccounted for more than 10 minutes may be considered truant.

Consequences are as follows:

- ☐ First offense = One (1) day of in-school suspension.
- ☐ Second offense = Two (2) days of in-school suspension.
- ☐ Third offense = Two (2) days out-of-school suspension.

Note: Students shall be allowed to make up work when truant; however, students who have been truant will only

receive up to half credit for make up work.

Visitors

All visitors must show ID and sign in at the front office.

Student visitations by parents/guardians, relatives, and/or friends will not be allowed during regular scheduled school days.

Remote Learning

If CCSC deems a remote learning day, students should attend all of their classes according to the remote learning schedule as assigned. Remote learning days will follow the same attendance policy as we do when we are in session via brick-and-mortar.

Expectations for Student Behavior

Bus Rules and Privileges

Clarksville Community Schools provides you with the safest equipment and professional bus drivers, but understanding and following the rules also depends on you, the students, and parents. **SAFETY is our first consideration in the operation of a school vehicle.**

- (1) While **WAITING** for the bus.
 - (A) Arrive at your stop five (5) minutes ahead of the scheduled pick-up time.
 - (B) NEVER run alongside a bus. Wait until the bus comes to a complete stop to board. Students enter/exit at their bus stop only.
 - (C) If you live on the opposite side of the street from the bus stop, always cross in FRONT of the bus when the way is clear.
 - (D) Students fighting, using profanity, or making obscene gestures to the public or another student are subject to disciplinary action. Please report this to the principal.

- (2) While **RIDING** on the bus.
 - (A) The driver is in complete charge of the vehicle. Please obey the driver. Driver may assign seats.
 - (B) Please be seated immediately and remain seated while the vehicle is in motion.

- (C) Students will enter and exit the bus only when it comes to a complete stop.
- (D) Students will not extend their arms, legs, or heads out of the bus.
- (E) Students enter/exit at their bus stop only unless written permission is given to the DRIVER from the parent/school office.
- (F) Students will not litter the bus. A trash can is located at the front of the bus.
- (G) Do not mark, deface, or cut seats. Parent/Guardian will be responsible for the cost of any damage.
- (H) For safety reasons, no objects will be placed in the aisle, emergency exit, or doorway. No animals (dead or alive) or large objects (including band instruments and jam boxes) that will interfere with the seating of others will be allowed.
- (I) No fireworks or weapons of any kind are allowed on the bus.
- (J) Loud, boisterous, or profane language, indecent conduct, fighting, eating, teasing, and smoking will not be tolerated. Drivers need to be able to hear trains, emergency vehicles, and car horns.
- (K) Respect pedestrians and occupants of other vehicles. Do not shout, make obscene gestures, use profanity, or throw objects from the bus.
- (L) Students will not tamper with the emergency door or fire extinguisher.
- (M) Upon recommendation of the bus driver, school authorities can deny the privilege of riding the bus to any student who violates the rules or cannot conduct themselves in a courteous or responsible manner on the bus. If the student loses his/her riding privilege, he/she will be permitted to ride the bus home that day only.
- (N) Violations will be reported to the principal or designee, who will determine appropriate disciplinary action and notify the parents.
- (O) Bus drivers will not be able to conduct meetings with parents during the course of driving their route. If you need to speak with a driver, call the transportation office at 812-280-5015 to make arrangements. For all disciplinary matters, first contact the principal or assistant principal at the school.

Personal Electronic Device Discipline Protocol

- (1) Per Senate Bill 78, the use of cell phones and other personal electronic devices is prohibited during the school day. Please note that the term 'electronic device' includes but is not limited to cell phones, headphones, earbuds, smartwatches, tablets, and personal computers. In order to ensure the state's law is being followed, students will not be permitted to use their phones or other personal electronic devices at any point throughout the school day, from 7:52 am to 2:47 pm. Electronic devices must be turned off and stored during the school day.
- (2) A telephone is available for student use before and after school and at times when teachers issue passes for that purpose. The student must receive permission to use a phone and must state the purpose of the call. Staff members will determine whether or not the call is necessary. Telephone calls should be limited in time.
- (3) Parents/Guardians may call and leave a message for a student to call them. Return calls will be made before school, at lunch, or after school. Only in the case of an emergency will a student be called out of class to take a phone call.

(4) If there is a violation of the policy the following action will occur:

- ☐ **Offense 1** = Electronic device will be confiscated by the staff member and turned into the office. A disciplinary referral will be generated and the student will be able to pick the device up at the end of the day.
- ☐ **Offense 2** = Electronic device will be confiscated by the staff member and turned into the office. A disciplinary referral will be generated and the parent will be able to pick the device up at the end of the day. The student will receive 1 day of ISS (in-school suspension).
- ☐ **Offense 3** = Electronic device will be confiscated by the staff member and turned into the office. A disciplinary referral will be generated and the parent will be able to pick the device up at the end of the day. The student will receive 1 day of OSS (out-of-school suspension).
- ☐ **Offense 4** = Electronic device will be confiscated by the staff member and turned into the office. A disciplinary referral will be generated and the parent will be able to pick the device up at the end of the day. The student will receive 3 days of OSS.
- ☐ **Offense 5** = Electronic device will be confiscated by the staff member and turned into the office. A disciplinary referral will be generated and the parent will be able to pick the device up at the end of the day. The student will receive 5 days of OSS.
- ☐ **Offense 6** = Electronic device will be confiscated by the staff member and turned into the office. A disciplinary referral will be generated and the parent will be able to pick the device up at the end of the day. The student will receive 10 days of OSS pending expulsion.

(5) Students are responsible for their personal electronic devices while on school grounds. CMS will not be held responsible for any lost, damaged, or stolen items.

(6) Students who refuse to turn over their personal electronic devices or become belligerent at any offense level, as requested by any CMS staff member, may receive additional disciplinary consequences.

Note: Personal electronic device offenses are accumulated for the SCHOOL YEAR and will NOT reset at the end of a nine-week or semester period.

Chromebooks

Each student will be assigned a Chromebook for individual use and must agree to the acceptable use policy as outlined by the Board of Education. It is an expectation that students bring their Chromebooks and chargers to school with them daily. The Chromebook is required to go home each evening, as well. Chromebooks are expected to be fully charged at the start of each school day. Consequences for not meeting the above expectations will be dealt with on an individual basis. A basic classroom set of textbooks and materials is issued to each student at the beginning of the year.

Student Chromebooks are the responsibility of the student, and each student is expected to treat the Chromebook with care and maintain its security. Students are responsible for avoiding situations that are conducive to loss or damage to the Chromebooks and are expected to only use the Chromebook issued to them. Students are responsible

for reporting damage to a teacher and/or administrator and are responsible for the repair cost of the device. Failure to follow the expectations above and the specific guidelines noted in the *CMS Acceptable Use documents* will result in consequences, which can include loss of Chromebook privileges (see below).

The below consequences will be followed when **intentional** damage is reported to the school administration. Random device checks will be made to ensure students are maintaining assigned devices as expected.

- ☐ **Offense 1** = One (1) day of in-school suspension (ISS).
- ☐ **Offense 2** = Two (2) days of in-school suspension (ISS).
- ☐ **Offense 3 or more** = One (1) day of out-of-school suspension for each offense (OSS).

Note: Major damage to a device could result in loss of device privileges for the whole school year. This determination will be made by the school administration.

Recreational Items

Personal entertainment items such as electronics, toys, water guns, etc., are inappropriate for school and must remain at home. If these items are brought to school, they will be confiscated, the parent/guardian will be contacted, and the item(s) may be returned to the student at the end of the school day.

Dress Code and Grooming

The Board of School Trustees believes that student appearance is an important part of the school climate. Our student attire policy is intended to create a positive environment for education, help students concentrate on schoolwork, reduce discipline problems, and improve school safety and order. Individual schools are encouraged to adopt specific dress policies and procedures to establish appropriate learning environments. In keeping with that belief, the following dress standards are established as a minimum acceptable standard for student dress and shall be adhered to in all schools within the Corporation.

- (1) Selection of dress is a parental responsibility, and modesty should prevail in styles of dress.
- (2) Students shall dress appropriately for educational activities so as not to disrupt the educational process and endanger their own health, safety, welfare, or that of others.
- (3) The following articles of clothing are not permitted: tops that are strapless or backless; spaghetti strap tank tops; low-cut tops and bare midriff tops; shirts that have been cut to expose large portions of the upper body; shorts, skirts, pants/leggings and tops that fail to conceal undergarments; and pajamas and/or pajama pants.
- (4) Pants/shorts are to be worn at the waist and be free of rips/cuts that could potentially expose private

areas.

- (5) Clothing and accessories shall be free of writing, pictures, symbols, or any other insignia which are crude, vulgar, profane, obscene, libelous, slanderous, or sexually suggestive. Clothing and accessories that degrade any cultural, religious, or ethnic values; that advocate racial, ethnic, religious prejudice, or discrimination; that promote sex, the use of tobacco, drugs, alcohol, or any unlawful acts are prohibited.
- (6) Gang-related clothing or accessories, including but not limited to bandannas, symbols, emblems, or insignia, are prohibited. School officials shall consider information obtained from community agencies and resources when making these judgments.
- (7) Shoes or sandals with a hard sole are to be worn at all times; absolutely no house shoes or slippers.
- (8) Any clothing, jewelry, or accessories that create a safety or health concern or cause a disruption to the educational process is prohibited.
- (9) Hats, caps, and coats are to be placed in the student's locker during the school day.
- (10) Dark glasses are not to be worn indoors except for valid medical reasons.
- (11) Exceptions may be made by the administration for special days, special events, or activities.
- (12) Appropriate consequences shall be specified according to discipline policies.
- (13) The final determination of what constitutes appropriate dress will be made by a school administration.

After-School Remediation for Core Content Classes

Students who are not mastering ELA, math, science, or social studies essential skills may be required to stay after school with their teacher for remediation. This is an expectation. Students who fail to stay on the assigned days will be removed from reward time and/or school-sponsored non-educational field trips and tours. Parents/guardians will be notified by the classroom teacher 24 hours in advance, and a late bus will be provided for students who live in district on the days of remediation.

Restricted Usage Areas

Faculty lounges, staff restrooms, storage rooms, offices, and workrooms are off-limits to students at all times. Students should not go behind counters in the office area without permission. Except when in use, students are not permitted to be in or to cut through Generals Quarters. Students should not be in the building or on the grounds of either Clarksville High School or Clarksville Elementary School at any time before, during, or immediately after school.

unless they are under the direct supervision of a staff member.

Conduct at Assemblies and Athletic Events

Common courtesy demands that all students adhere to the following rules of good conduct.

- (1) During assemblies, students are to sit in assigned areas and show respect to those presenting.
- (2) Applause is the accepted method of showing appreciation in the auditorium/Generals Quarters/Gym(s).
- (3) At athletic events, students should come ready to watch the game, and behavior should be enthusiastic but not rowdy. The principles of good sportsmanship apply in victory and defeat.
- (4) Students are to remain inside the assigned area, including the gym area or playing field.
- (5) No use of profanity during assemblies and/or athletic events.
- (6) Bikes should be parked and secured at the bike rack.
- (7) Only team players, managers, and coaches are permitted into dressing room areas.
- (8) Cheer for your team loudly and enthusiastically, but do not boo or heckle opponents or referees.
- (9) No pass-outs will be issued to students, and there will be no re-entries. If a student's conduct is not acceptable at an assembly or athletic event, he/she will be restricted from attendance at future events.

Note: Failure to follow the above expectations may result in removal from the event and additional disciplinary action.

Good Neighbors

Clarksville students are expected to be good neighbors while walking to and from school. Students should use sidewalks wherever possible, not cut across yards, and respect private property by not littering or loitering before or after school. This would also hold true if a bus stop is in a neighbor's yard.

Backpacks/Bags

Students will not be allowed to have backpacks or bags in the classroom. Students are provided with a locker and lock to secure their personal items properly. Students will be given the opportunity throughout the day to go to their

lockers to retrieve items. Students need to plan appropriately to have the necessary materials with them for the upcoming classes.

Outside Food and Drinks

Outside food and drink for students are not allowed at any time - this includes deliveries to the office. All students have access to meals served by the cafeteria. Students may bring lunches with them as they arrive at school in the morning and place them in their lockers before the bell to start the first period of the day.

Academic and Social Success/Guidance

Grading and Reporting

The school year is divided into four grading periods of about nine weeks each. Students will receive their report cards during the week following the end of each grading period. All Clarksville schools will use the following grading scale:

A+	100	B+	87-89	C+	77-79	D+	67-69	F	0-59
A	94-99	B	84-86	C	74-76	D	64-66		
A-	90-93	B-	80-83	C-	70-73	D-	60-63		

Honor Roll

An Honor Roll listing of those students who have done outstanding work will be compiled at the close of each grading period. All students are urged to do work that is equal to their ability and to strive to make the Honor Roll.

- (1) Principal's Award requires a no grade lower than an A-.
- (2) Honor Roll requires a 3.0 GPA with no grade lower than a B-.
- (3) To compute honor roll and grade point average, the following point table will be used.

	B+	3.3	C+	2.3	D+	1.3	F	0
A	4.0	B	3.0	C	2.0	D	1.0	
A-	3.7	B-	2.7	C-	1.7	D-	.67	

Total the grade points and then divide by the number of courses taken.

Five Star Generals Program

Generals Club is a 9-week grading period reward for qualifying students. Students will only be eligible based on their 9-week grades.

The criteria are as follows:

- (1) No failing grades (F).
- (2) Absences are limited to three (3) or less. This includes excused and unexcused.
- (3) No office level referrals.

Student of the Month

Each month during the school year, one student from the assigned grade level will be selected as Student of the Month. The student selected will be honored as the Student of the Month at the school board meeting. The Student of the Month Award is based on academic performance, personal characteristics, and extracurricular involvement.

Community Day Shout Outs

Each month, during Community Day, two students from each grade level will be selected for a “shout-out” during our school-wide assembly. These awards are based on students who are showing P.R.I.D.E. each and every day. Additionally, each month, we will recognize the top readers and mathematicians for the month by grade level.

Student Records & Falsifying Student/School Records (or Otherwise)

A cumulative record is maintained for each student from his or her entrance into school through the twelfth grade. Such records pertaining to the individual student are confidential and may be used only for the benefit, promotion, or welfare of the pupil. Upon request, parents may view and receive an explanation of the various reports and information contained in the file.

Additionally, it is against school rules to falsify school documents (i.e., report cards, hall passes, attendance forms, notes excusing absences, etc.). Offenders will face appropriate disciplinary action.

Parent/Guardian Phone Conference, Virtual Conference, and/or In-Person Conference

Parents/Guardians may request a phone, virtual, or in-person conference with any CMS staff member concerning their student's progress and/or behavior. Meetings with administrators, counselors, classroom teachers, and/or other CMS staff members will be by appointment only. A conference date and time will be scheduled at the earliest convenience of all parties involved.

Promotion and Retention

At the end of the school year, if a parent/guardian is concerned about their child's academic progress and wants to discuss retention, a meeting with the building principal, counselor, and classroom teacher(s) must take place to review student achievement data, grades, and behavior. At this meeting, a collaborative decision will be made by all present if promotion or retention is in the best interest of the student.

School Counselor

Clarksville Middle School's Counseling Department provides personal, occupational, & educational counseling. Students may receive counseling on an individual basis, small group basis, or through the presentation of classroom guidance lessons. The counseling office is a place where students, parents & school staff can come to discuss a wide variety of concerns they might have about school, home, or personal development. The Counseling Office is located in the center front area of the middle school. Students may come to the office before or after school or during the school day with a pass from the teacher or counselor. Parents wishing to speak with the counselor or arrange a conference may do so by calling the school. Special programming for students through the Counseling Department includes a variety of self-improvement options such as group guidance activities, goal setting, mentoring, tutoring, & referral to outside agencies. Additional services through the guidance office include the explanation of achievement & ability testing results, student scheduling & orientation, peer mediation program, & several career exploration & information activities.

Because counseling is based on a trusting relationship between counselor and student, the counselor can choose to keep the information shared by students confidential. You will be notified if:

- (1) If the child reveals information about hurting himself/herself or another person.
- (2) If the child reveals information about child abuse.
- (3) If the child reveals information about criminal activity.

Academic Dishonesty/Plagiarism

It is against school rules to cheat on school assignments or tests or to plagiarize. Plagiarism is taking or copying the writing or ideas of another person and turning his/her work in as your own. This includes copying information from the internet. On the first offense of Academic Dishonesty/Plagiarism, the student will receive a failing grade on the assignment and/or test and will be referred to the administration for disciplinary action. Further infractions will result in a failing grade for the semester and further disciplinary action.

Curricular Material and Other Miscellaneous Fees

Beginning with the 2023-2024 school year, House Enrolled Act 1001-2023 prohibits school corporations and charter schools from charging a fee for curricular materials to students. However, any outstanding balances for fees are the responsibility of the parent/guardian. Fees that are not curricular material in nature such as Chromebook repairs, lost items (assigned technology or library books) or incidental damages will be applied to the student's account. School officials inspect, number, and assign all Chromebooks and chargers. Students will be held responsible for any undue wear and tear on the Chromebooks issued to them. If school property is misused, defaced, or lost, Clarksville Middle School reserves the right to assess an appropriate penalty or replacement fee. Accounts are due and payable upon billing and considered delinquent after thirty (30) days. Collection of delinquent accounts will be handled in Small Claims court. Please contact the building treasurer for assistance with any questions regarding billing.

Rights to Inspect Instructional Materials

In addition to any other rights with respect to the inspection of instructional materials, the parent or guardian of a child enrolled in a school within the Clarksville Community School Corporation that receives funds from the United States Department of Education, either directly or indirectly, shall be entitled to inspect those instructional materials which will be used in connection with any survey, analysis, or evaluation as part of any school program or curriculum.

Health and Wellness

Health Services

The school and its programs promote wellness and the importance of regular attendance. Health services include screening for hearing in grade 7 and vision in grades 5 and 8. All students will receive screening unless written notice from a parent is received, and parents will be contacted only if their child fails a screening.

Immunizations & Athletic Physicals

- (1) Indiana law requires parents/guardians to furnish no later than the first day of school attendance proof of the student's immunization status, either as a written document from the health care provider who administered the immunization or documentation provided by the state immunization data registry. The statement must show that the student has received these immunizations:
 - (A) 5 doses of DTP (diphtheria, tetanus, and pertussis)
 - (B) 1 dose Tdap
 - (C) 4 doses of polio vaccine
 - (D) 2 doses of MMR (measles, mumps and rubella)
 - (E) 2 doses of Hepatitis A vaccine
 - (F) 3 doses of Hepatitis B vaccine
 - (G) 2 doses of Varicella vaccine (Physician documentation of disease history, including month and year, is proof of immunity for children entering preschool through 12th grade. Parent report of disease history is not acceptable).
 - (H) 1 dose of Meningococcal (MCV4) for grades 6-11
 - (I) 2 doses of Meningococcal (MCV4) for grade 12
- (2) All students are required to have current and complete immunization records; incoming sixth-grade students (and new seventh and eighth-grade students) are required to have a second measles booster shot. Students who do not receive the appropriate immunizations as required by law for public education could result in exclusion from school. Please note immunization objection forms are available in the CMS front office. Please contact the school nurse for further information.
- (3) Prior to trying out for any sport, a student-athlete must have all final forms and paperwork on file with the athletic department, including a physical examination completed by a medical professional. All required athletic paperwork is available on final forms. Please visit the school website or contact the corporation athletic director for more information.

Illness at School

During the school day, students who are ill should report to the nurse's office during passing period. Visits during class should be limited to emergencies. In the case of illness or injury, the school nurse or a member of the school staff will care for a student.

Note: It is essential that the school have on file at least two emergency numbers where parents or guardians can be reached at all times.

Guidelines for Illness Release

Clark County Health Department guidelines suggest that students be sent home under one of more of the following conditions:

- (1) Temperature of 100.0 F or more.
- (2) A contagious (or suspected contagious) rash.
- (3) Diarrhea and/or vomiting.
- (4) Covid-19 related symptoms.

Medication

All medication, prescription drugs & over-the-counter medicine, will be administered to students under the following guidelines:

- (1) Written permission (Forms available in the Office) of parents or guardians.
- (2) Properly labeled medicine with the following:
 - (A) The student's name,
 - (B) Name of medication,
 - (C) Dosage and time to be given, and
 - (D) Doctor's name (for Prescription Medication)
- (3) If a student needs cough drops, we request written permission be given by the parent to the nurse who will review our procedures.
- (4) All medication brought to school must come to the office so that it can be kept & administered under adult supervision. No medication is to be held by the student (in a purse, locker, etc.).
- (5) A written statement from the student's physician is required for a student to self-administer emergency medication.

*Senate Enrolled Act #376 prohibits the school from sending medication home with a student. Parents must pick up any unused medication upon the student's withdrawal or at the end of the school year.

Insurance

The school does not carry insurance that will cover a student if an injury occurs at school or during a

school-sponsored event. Insurance is the responsibility of the parents/guardians, both for health and personal property insurance.

Wellness

It is a researched and documented fact that our society is suffering from unhealthy eating habits and not enough exercise. The state has mandated that each school corporation develop a health & wellness policy. This policy will affect our schools in a variety of ways. Our school has no vending machines for student use. As a school, we will discourage and greatly reduce food and beverages of minimal nutritional value. The type of food sold and allowed in the cafeteria will be in accordance with the policy. Students will not be allowed to have soft drinks or fast food brought into the cafeteria.

Student Discipline

Behavior

Good behavior, including academic effort and attendance, is one of the most important responsibilities a student has in school. Appropriate behavior allows students to have a positive learning environment, and students will be expected to contribute by behaving responsibly. Students, parents/guardians, and teachers share in maintaining this productive climate so that students may reach their fullest potential.

Throughout the school year, the administration will host a behavior, academic, and attendance challenge event with a culminating reward activity for those who meet the challenge requirements. These challenges will be presented to the student body on a month-to-month basis, and we encourage parents/guardians to talk about the challenge expectations at home with their students. The goal of this program is to encourage students to make good behavior choices and be current on their classwork to create a positive, productive learning environment at CMS.

Procedures for Violations

The following procedures are used for the violations of the student code of conduct:

- (1) Investigation of the infraction.
- (2) Meeting with administrator or representative and parties concerned.
- (3) Attempt to contact parent or guardian by email or phone.

- (4) Disciplinary action assigned.

Discipline Behavior Contracts

Students who consistently have discipline issues within the building may be placed on a behavior contract. This is a means to help support your student in modifying the problem behavior. Behavior contracts are the responsibility of the student to carry to each class and have it filled out by all teachers assigned.

After-School Administrative/Teacher Detention

After-school detentions are part of the discipline process here at CMS for students who fail to follow classroom/building expectations. Students who fail to serve or misbehave during an assigned after-school detention may be placed in ISS or received OSS for multiple offenses. Assigned detentions follow the guidelines below:

General Detention Guidelines:

- (1) Detention will be served on a given day in a designated area for 1-hour after school hours. This will be assigned by a classroom teacher or building-level administrator.
- (2) If a student is late, misbehaves, talks or sleeps during detention, does not do assigned work, or does not stay for the entire time, he/she may be required to serve the detention period again or, depending on the offense, receive an in-school or out-of-school suspension.
- (3) Parents/Guardians will be informed of serving this punishment and should communicate with their child about the arrangements that have been made to get home.

Use of Suspension

The Board of School Trustees of the Clarksville Community School Corporation has provided a procedure for the handling of student suspension, expulsions, and exclusions from school. The basic premise of this policy is fairness and adherence to student due process.

In-school Suspension - (ISS) is one method of handling chronic and/or less severe behavior problems. The student serving ISS reports to an assigned area for part of or the entire day, receives work from their classroom teachers, but attends no classes. Students who fail to follow ISS expectations will be removed from the ISS room and suspended from school (OSS).

Out-of-school Suspension - (OSS) may be used for more serious behavior problems, for students who are repeat

offenders, or for students who pose a threat to safety or the educational environment. A school administrator may suspend a student for a maximum of ten days. Students who are suspended out-of-school are not allowed to make up work missed in classes, with the exception of major tests, projects, reports, etc., which profoundly affect grades. In addition, students who are given out-of-school suspension will be excluded from all school activities from the time a suspension is assigned until the beginning of the school day when the student is expected to return.

Suspension Procedures

When a principal (or designee) determines that a student should be suspended, the following procedures will be followed:

- (1) A meeting will be held prior to the suspension of any student. At this meeting, the student will be entitled to:
 - (A) A written or oral statement of the charges;
 - (B) If the student denies the charges, a summary of the evidence against the student will be presented; and,
 - (C) An opportunity to explain his or her conduct.
- (2) The meeting shall precede the suspension of the student except where the nature of the misconduct requires immediate removal. In such situations, the meeting will follow the suspension as soon as reasonably possible following the date of the suspension.
- (3) Following the suspension, the parents or guardians of suspended students will be notified in writing. The notification will include the dates of the suspension, describe the student's misconduct, and describe the action taken by the principal.

Expulsion Procedures

Expulsion will be requested by school officials when a discipline matter is either so serious or so chronic that such action is warranted. The length of the expulsion period may vary from the balance of a grading period or could extend for the duration of the then-current semester, the remainder of a school year, or might even extend into the next school year, depending on the date and the severity of the offense.

When a principal (or designee) recommends to the superintendent (or designee) that a student be expelled from school, the following procedures will be followed:

- (1) The superintendent (or designee) may conduct an expulsion meeting or may appoint one of the following persons to conduct the expulsion meeting:

- (A) Legal counsel
 - (B) A member of the administrative staff who did not expel the student and was not involved in the events giving rise to the expulsion.
- (2) An expulsion will not take place until the student and the student's parent are asked to appear at an expulsion meeting conducted by the superintendent or the person designated above. Failure by a student or a student's parent to appear at this meeting will be deemed a waiver of rights administratively to contest the expulsion or to appeal it to the school board.
- (3) The request to appear at the expulsion meeting will be in writing, delivered by certified mail or by personal delivery, and contain the reasons for the expulsion and the date, time, place, and purpose of the meeting.
- (4) At the expulsion meeting, the principal (or designee) will present evidence to support the charges against the student. The student or parent will have the opportunity to answer the charges against the student and to present evidence to support the student's position.
- (5) If an expulsion meeting is held, the person conducting the expulsion meeting will make a written summary of the evidence heard at the meeting, take any action found to be appropriate, and give notice of the action taken to the student and the student's parent. The student or parent has the right to appeal the decision of the person conducting the expulsion meeting to the school board within 10 days of the receipt of notice of the action taken. The student's or parent's appeal to the school board must be in writing. If an appeal is properly made, the board must consider the appeal unless the board votes not to hear the appeal. If the board hears the appeal, it will consider the written summary of the expulsion meeting and the arguments of the school administration and the student and/or the student's parent. The board will then take any action deemed appropriate.

Hazing includes but is not limited to:

Any activity involving an unreasonable risk of physical harm, including paddling, beating, whipping, branding, electric shock, sleep deprivation, exposure to weather, placement of harmful substances on the body, and participation in

physically dangerous activities.

Use of Profanity

The use of profanity, or language which is lewd, indecent, or vulgar, is prohibited. Students using unacceptable language may receive disciplinary consequences. This includes the "general" use of this form of communication, even in the hallways. A student who repeatedly uses profanity at school will be subject to suspension and parental notification. Profanity directed toward a teacher or staff member will result in automatic suspension from classes.

Racial Harassment

In accordance with Board policy 51.43.4, no student or employee shall be subjected to any form of racial harassment. Racial harassment consists of unwelcome racial comments and other inappropriate verbal or physical conduct of a racial nature when made by any employee to a student, student to an employee, employee to another employee, or student to another student. A full description of the corporate policy and forms to be used in filing a complaint may be obtained from either the office of the high school principal or the office of the superintendent. Any initial complaint should be registered with the building principal when feasible.

Sexual Harassment

In accordance with Board policy 4050 and 51.43.3, no student or employee shall be subjected to any form of sexual harassment. Sexual harassment is defined as any unwelcome sexual advances, requests for sexual favors, or other inappropriate verbal or physical conduct of a sexual nature when made by any employee to student, student to employee, employee to another employee, or student to another student. A full description of the corporate policy may be obtained from either the office of the high school principal or the office of the superintendent. Any initial complaint should be registered with the building principal when feasible.

Sexting

Sexting is defined as sending, sharing, viewing, or possessing pictures, text messages, emails, or other material of a sexual nature in electronic or any other form, including the contents of a cellphone or other electronic device. Violation of any of the information contained in this section may be considered as a ground for suspension or expulsion from school.

Student cellphones have been found in a number of Indiana school districts to contain evidence of "sexual conduct" as defined above. As a result, it is important for parents and students to be aware of some of the potential legal consequences should this occur in our school system.

- (1) The Child Abuse/Neglect Law requires school personnel to report to law enforcement or child protective services whenever there is reason to believe that any person/student is involved with "child exploitation" or "child pornography," as defined by Indiana Criminal Statutes.
- (2) It is "child exploitation," a Class C felony under I.C. 35-42-4-4(b), for any person/student (1) to exhibit, photograph, or create a digitalized image of any incident that includes "sexual conduct" by a child under the age of 18; or (2) to disseminate, exhibit to another person, or offer to so disseminate or exhibit, a matter that depicts or describes "sexual conduct" by a child under the age of 18.
- (3) It is "child pornography," a Class D felony under I.C. 35-42-4-4(c), for any person/student to possess a photograph, motion picture, digitalized image, or any pictorial representation that depicts or describes "sexual conduct" by a child who the person knows is less than 16 years of age or who appears less than age 16.

Drugs and Alcohol

Violation of rules regarding drugs and alcohol at Clarksville Middle School is considered to be a very serious disruption of the educational process and will be dealt with most severely. The following are violations of the disciplinary code of Clarksville Middle School, whether on the school grounds at any time, or at any school activity, function, or event at

At the expulsion meeting, a recommendation will be made by the middle school principal to the Examiner based on the student's overall discipline record and the student's willingness to seek counseling from an approved agency. Based on these factors, the penalty could range from remaining in school on a probationary status to expulsion from school for a period of time up to one year.
- (6) Subsequent Offenders and Sellers:
- (A) Suspension from school pending expulsion following due process procedures will be implemented.

Use/Possession of Tobacco Products/E-Cigarettes/Vaping Devices

- (B) All disciplinary action described above will be extended into the next school year if the violation occurs at the end of the current year.
- (C) Citations are issued by law enforcement and do carry a fine payable to the court. Failure to pay a fine could result in loss of driver's license or denial of obtaining a driver's license. Multiple citations could result in further action being taken by the court.

Weapons

Indiana law prohibits weapons in or about schools regardless of the purpose. Students & parents are urged to carefully read Subsection 6, Page 9, which refers to "knowingly" possessing, handling, or transmitting a knife or any object that can reasonably be considered a weapon. Students and parents should be aware that a weapon might be defined as an item that can inflict harm on another person.
